

Have your say

Regents Park Tenants & Residents Association

Open meeting

Wednesday 21st November

7.30pm - 9pm, officers available from 7pm to speak with residents
Dick Collins Hall, Regents Park Estate

Why come along?

Speak to Camden Council Housing Officers

If HS2 goes ahead, despite Camden Council's strong opposition, the council needs to plan to ensure any homes affected are replaced. Come along to the session to discuss what could be done to help directly affected residents with officers.

Learn about the Euston Area Plan

A new plan, called the Euston Area Plan, is being prepared for the area around Euston Station. Whilst Camden Council strongly opposes the HS2 project we need to plan ahead for the future of the Euston area with or without HS2 to get the best possible future for residents, businesses and visitors to Euston. We want your views on initial objectives and your priorities for the area. You can find out more about this work and speak with officers at the meeting.

You can also visit www.eustonareaplan.info to find out more about how to comment and get involved.

Future of the Euston area
